

North Carolina Advanced Placement Partnership (NCAPP)

AP Teachers' Summer Refresher Series Catalog of Sessions

Zoom, July 12-15; July 19-22; July 26-29

The North Carolina Advanced Placement Partnership is excited to offer a **FREE session series** to North Carolina's AP teachers! NC AP teachers can attend online sessions specific to their AP course to discuss strategies designed to strengthen AP instruction and improve student learning through AP tool integration and support. NCAPP will pay all registration costs for you.

NCAPP purpose

The mission of the Partnership between College Board and the state of North Carolina is to prepare, inspire, and connect students to postsecondary success and opportunity, with a particular focus on minority students and students who are underrepresented in postsecondary education. The purpose of the Partnership is therefore to assist in improving college readiness of secondary students and to assist secondary schools to ensure that students have access to high-quality, rigorous academics with a focus on access to Advanced Placement courses.

What to expect!

- 90-minute Zoom sessions designed by NC AP teachers who want to collaborate and connect with other NC AP teachers
- **Register for one, two, three or four sessions -- whatever looks interesting to you**
- **Beginning AP teachers can register for Experienced AP teacher sessions and vice versa**
- Registrants will receive an email confirmation with session information after completing the registration form. **Keep this email for your records!**
- Registrants will receive an email prior to the Session(s) with appropriate Zoom links
- Participants will receive a Course and Exam Description binder if desired, although it may not arrive prior to the Session dates
- Participants who complete the survey at the end of each session will receive a certificate of participation by August 30, 2021

English

AP English Language and Composition for **Experienced** AP Teachers with Paul Piatkowski from Davidson County Schools

When: July 29, 2021 in Zoom (Zoom links to be sent prior to Session(s) days)

9am-10:30am	Session 1: The Synthesis Deep Dive	This session will focus on adding dimension to students' analysis of sources on the synthesis essay. Participants will look at best practices and activities that further develop the depth of student awareness of source origins, reliability, and most efficient use in practice.	Register here for one or more of the AP English Language and Composition sessions on July 29, 2021: AP English Language and Composition Registration Link
10:45am-12:15pm	Session 2: The Rhetorical Landscape	This session will focus on best practices and activities for students to first separate and then merge components of the rhetorical situation in student analysis and writing. Participants will investigate the importance of students' utilizing their awareness of the rhetorical situation as it applies to the new FRQ rubrics as well as in the reading and synthesizing of arguments.	
1:00pm-2:30pm	Session 3: Mirroring Skills in the AP English Language Curriculum	This session will focus on the ways in which separate skill components in the AP English Language and Composition curriculum can work holistically by transforming rhetorical analysis into multiple choice, argument essays into synthesis essays, writing process editing into multiple choice, and more.	
2:45pm-4:15pm	Session 4: Office Hours	Office Hours allow AP teachers and the NCAPP AP Consultant to discuss topics important to the AP teachers who attend the session.
